Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It Pays to Be Ready for Anything You re About Discover How to Survive Any Disaster You never know what may happen tomorrow. The future hasn t happened yet and you can t be particularly sure what it has in store for you and for the human race for that matter. However, it pays to be ready for anything. If you value your life and those of your loved ones, you must know what it takes to survive any dire situation. Disasters strike anywhere, anytime. You can find a place away from active volcanoes so you won t have to worry about eruptions and lava. You can stay away from coastlines to avoid flooding, tsunamis, hurricanes and storm surges. Of course, you wouldn t want to live on top of a fault for fear of earthquakes. Want a cabin in the woods? Think about forest fire. Terrorists? They re practically everywhere biding their time before they unleash chaos. Anywhere you go, danger seems imminent, but that doesn t mean you have to live in fear. You just need to be ready, to be prepared for anything. Here, you ll be exposed to different situations including natural calamities and terrorist attacks. This book details the kind of things you need to have in order to survive -- the kinds of food that will last, the amount of water one needs to survive, and the different gadgets and equipment that will prove useful. Additionally, you ll get an idea of how to think and act while you re right there at that moment when things go from bad to worse. By the time you re done with this book, you already understand...
