Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

(Mr. Jeramy Leuschke IV)

TEST ANXIETY: STRATEGIES TO IMPROVE STUDENT PERFORMANCE

Natl Professional Resources Inc, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. Testing especially high-stakes testing is playing an increasing role in schools, giving rise to higher levels of anxiety for both students and teachers. As a result, many students are actually experiencing performance declines rather than improvements. This reference guide is specifically designed to provide teachers with practical, evidence-based strategies for reducing test-related anxiety and improving test performance and overall well-being in students ranging from elementary to high school age. The guide includes recommendations for teaching effective study skills habits, as well as specific test-taking skills. It also describes how to teach students stress-reduction techniques such as deep breathing, freewriting, progressive muscle relaxation, guided imagery, mindfulness and meditation, and positive self-talk.
