BookBaby, 2018. Paperback. Condition: New. Language: English . Brand New Book. Statistics prove that medical help is not the answer to healing dysfunction. Invasion Revealed explains the negative elements that invade our mental realm from a spiritual perspective. Alcoholism, drug addiction, mental illness, Alzheimer s, and other similar illnesses are caused by the individual s unintentional neglect and ignorance of the spirit nature of the Self. These illnesses affect millions of people worldwide. Even so, our customs change slowly, and thousands suffer and die while we wait for a different approach to healing. Whether prescribed or recreational, drugs are still drugs. A drug problem cannot be healed with another drug. Professionals who offer help need to understand the spiritual invasion that is causing the dysfunction, and sick people must be trained to think differently about themselves before they can recover. Invasion Revealed explains the specific words and techniques needed to change your mental atmosphere into a place of peace and tranquility. By understanding what you need to change, you can overcome the mental intrusion, achieve inner peace, and finally get well. Only when the individual learns to improve his relationship with himself can real healing become possible. If these individuals already knew how to care for the Self successfully, they would not be sick. Through spiritual training, self-correction, and change from within, they can heal. Many centuries ago Jesus showed us how to overcome what he called the prince of this world. What he demonstrated may not be the answer you would prefer, but his words and actions perfectly explain what causes dysfunction and chaos in our lives. If parents across the world would teach their little children to love themselves with all their heart, soul, and mind, these children would grow up so full of love the world would...
