The sixth edition of The Policy-Based Profession provides students with a process for analyzing policies that will help them with a career in social work. It offers a detailed foundation for policy analysis, including chapters on historical policy analysis, social/economic analysis, and political analysis. This title brings students up to date on the latest developments in social work practice. Areas covered include: welfare reform, mental health managed care, the campaign to restructure Social Security, reactions to current immigration issues, current threats to workers pensions, program and policy responses to the problems of substance abuse, and the use of family preservation as an approach to child protection. A new...
