

If Not, Winter: Fragments of Sappho (English and Greek Edition)

Filesize: 7.56 MB

Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Damien Schuster PhD)

IF NOT, WINTER: FRAGMENTS OF SAPPHO (ENGLISH AND GREEK EDITION)

Knopf, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The crme de la crme.a gorgeous object.[If Not, Winter] is a perfect match of text and translator, for Carson is not only one of the most original poets of our time, but a brilliant scholar of ancient Greek.The most ardent gift of the season." Sheila Farr, The Seattle Times "Astonishing.Think of Carson's brackets in If Not, Winter as a free space of lyrical adventure and the translation becomes immediately less a document of broken texts than an experiment in trust and imagination, as if each bracket were a flag that Carson was raising to signal us to run up and take over the baton. In her decision to give us less in her translation of Sappho, Carson has actually made the text ultimately more generous, and in this way has granted readers the pleasure of imagining their own versions of Sappho.This is the Anne Carson we fell in love with years ago: the scholar so enamored of her subject that merely gesturing toward it with a grin was enough to hook the rest of us. If Not, Winter is a selfless, faithful, and boldly delicate achievement." John D'Agata, Boston Review "Because language changes, as do our individual interpretations and understanding of literary works, no translation is final. Classicist, poet and essayist Anne Carson has undertaken a rendering of one of the most popular and written-about ancient poets, Sappho. In If Not, Winter: Fragments of Sappho, Carson adds a fresh and learned interpretive reading of a great poet's lyrical work, which has come down to us in shards.Entering the world of [Sappho's] poetry, by combining these remaining poetic fragments, her sentences and short expressions are nothing less than incendiary. We feel the poet's...
