

## The Book of Judges: A Proposed Linguistic Translation of the Biblical Book of Judges from Ancient Hebrew Into English (Paperback)

---

By David J Leonardi

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a proposed linguistic translation of the Biblical Book of Judges. A linguistic translation is a word for word translation which shows the original grammar from the source language. So the text frequently reads in an awkward way; thus this text should be used as an assist along with a plain text such as the King James Translation. Some of the Hebrew spellings of words are indicated in parentheses, and Hebrew spellings of all names are introduced at least once in the text. I have included a chapter subject index, and also a summary index of events for each chapter. Those should prove to be valuable study aids. The appendix contains a listing of commentary on some translation issues. There are also two linguistics articles included pertaining to Biblical Hebrew translation and Biblical Hebrew Morphology. The goal of this work is to lay the ground work for a more accurate translation, which will result in a future dynamic translation. A substantial amount of improvement has been made in the understanding and clarity of many word meanings, but there...

### Reviews

*This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.*

-- Mrs. Anya Kautzer

*The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Mazie Johns IV
