Imagine a device that can record life after death and then get the answers about the LGBT community from the very beginning of time. Imagine a primitive time to the prehistoric dinosaurs when the world of LGBT was without judgment or prejudice, which then turned into a world of judgment and prejudice. Let this book, through a series of short and concise interviews, take you to a place you have never been before and will never see again. Find out all about the origins of the LGBT world from the primitive creatures and humans who used to walk this world. Q. Have you always wanted to know where homosexuality comes from? A. I know. We all know the history of the LGBT community, but until now, all it has been is history! Me and My Ghost Imagine losing a loved one and all the grief this causes. We suffer grief because it s the price we pay for loving people as human beings. Nobody ever comes back after we are gone from this world. Death is so final, and we never see our loved ones again until maybe in our own time when death comes for us. Death is very private, and it is private because nobody comes back from it. Death does not like to be talked about at all. It is something which comes to us all, and we are never seen again walking on planet Earth. We all discuss death, and we all discuss the afterlife because it fascinates us for obvious reasons. We all end up dead at some point, there is absolutely no escape from it and why we find it so scary...
