Excerpt from A Few Famous Chinese Poems: Translated Into English The initiative of this little book was accidental. One day in June, feeling weary of commercial papers and Chinese account-books, I opened a volume of Chinese poetry that was lying on my desk and listlessly turned over the pages. As I was doing so my eye caught sight of the phrase. Red rain of peach ?owers fell. That would be refreshing, I said to myself, on such a day as this; and then I went on with my work again. But in the evening I returned to the book of Chinese poetry and made a free translation of the poem in which I had seen the metaphor quoted above. The translation seemed to me and some friends pleasantly readable st) in leisure hours I have translated a few more poems and ballads and these I now venture to publish in a small volume, thinking they may give the readers a little pleasure and also call forth criticism that will be useful in preparing a larger volume which I hope to publish hereafter; for it can hardly be said that hitherto the field of Chinese poetry has been widely explored by foreign students of the Chinese language. Several of the translations in this booklet are nearly literal. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
