Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Story of Benjamin Franklin There is an irresistible appeal to both young and Old in the figure of Benjamin Franklin. Whether we view him as the printer's apprentice in Boston, slipping his own contributions under the door sill, so that his brother might be fooled into publishing them; or the run away lad reaching Philadelphia by hook or crook, and walking down the main street eating a roll of bread, with another tucked under each arm, while his future wife laughed at him from a neighboring doorway; or the man of affairs busied with many things for the advancement of his adopted town; or the simply dressed American standing unabashed before Lords and crowned heads, not afraid to tell them the truth; or as one of the drafters of the Declaration of Independence; or as an amateur scientist dabbling with electricity - in these and many another situations he seems like a personal friend. His face and form have not been obscured by the cobwebs of history. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
