EDITORS SYNOPSIS: This series of books obviously fits in very well with many fiction and thriller catalogues, based in Europe and the city of London formed around a covert military unit operating in peacetime, and would be popular and mainstream having many facets. Being up to date and set in the foreseeable future 2020-2030 which is not far ahead, involving and expounding the effects of new technology and current affairs happening today. Whilst not veering far from the norm and only edging around the whole supernatural element which becomes the main theme, and covert player in the form of T.X.Orange. Who is not likely to follow any ones lead or tidy schedule having his own more powerful agenda and organisation to keep intact. The format for the various characters to travel and confront each other on is formed through The Union contrived in Europe to diminish disaster and chaos besetting the continent, but encounter supernatural forces exposed by a fissure in the environment, while shadowing the main security forces. T.X.Orange tries to maintain his secret nature which others imagine could help reverse the disasters, and determine what the aberrations in the paranormal world he seems involved in, actually are. French knight Templar s and ex-presidents get involved and together embark on a spiritual journey not favoured by T.X.Orange and his organisation, who would prefer to remain undisturbed and un-quantified. The reader is left to colour in the revelations exposed and consider the future. Any book in the series can be...
