WestBow Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is an incredible story of how God delivered author LouAnn Martucci from stage IV cancer and through the process revealed to her a career path of speaking out to protect the unborn. Her doctors told her that her prognosis was bleak, giving her only a few years to live if she chose to be treated with aggressive traditional medicine. Instead, she took the holistic approach and was given a freedom from cancer report five years later under the care of a naturopathic medical doctor. She chose no chemo or radiation. Now, she shares how God healed her through this process, not only physically but emotionally. She explores very sensitive topics of her past experiences of abuse and trauma, which were suppressed for years and never dealt with. She has worked for years with women dealing with these sensitive topics; God revealed her own darkness as she was counseling a client; this revelation, in turn, gave her a great and blessed victory.
