THROUGH THE LENS: SEEING GOD'S WORD THROUGH HIS CREATION (PAPERBACK)**DOWNLOAD**

Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever really wondered or marveled at the incredible senses you have received from God? We have been given the sense of sight, smell, taste, touch and hearing. If you were to take those senses deeper you might think about each of them like: sight being to really look at something intently, smell to be inhaling an aroma or fragrance, taste to savoring a great meal on the grill, touch to feeling the fur of a fluffy kitten and hearing to listening to the rustling of a stand of quaking aspen trees in the Fall. They say a picture is worth a thousand words, but when God's Word is with that picture, the number of words can be infinite. Imagine yourself basking in all of God's glorious creation. You can everyday, just look, listen, feel, smell and taste His creation. Author: Stephanie Thompson lives in the rocky mountains of central Colorado with her husband Jim, cats and a view like no other. She considers herself extremely blessed to live where she does and experience God's beauty every day.
