Voyageur Press Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Ghosts Towns of the West is filled with photographs, maps, history, and detailed directions to find the best ghost towns to linger in the wake of the Old West. Ghost Towns of the West blazes a trail through the dusty crossroads and mossy cemeteries of the American West, including one-time boomtowns in Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming. The book reveals the little-known stories of long-dead soldiers, indigenous peoples, settlers, farmers, and miners. Perfect for planning a road trip, each section covers a geographic area and town entries are arranged by location to make this the most user-friendly book on ghost towns west of the Mississippi. Most ghost towns are within a short drive of major cities out West, and they make excellent day trip excursions. If you happen to be in or near Los Angeles, Phoenix, Las Vegas, or El Paso, for example, you ought to veer towards the nearest ghost town. Western ghost towns can also easily be visited during jaunts to national parks, including Grand Canyon, Yosemite, Crater Lake, Mount Rainier, Glacier, Yellowstone, and many others throughout the West. Ghost Towns of the West is a comprehensive guide to former boomtowns of the American West, covering ghost towns in eleven states from Washington to New Mexico, and from California to Montana. This book has everything you need to learn about, visit, and explore a modern remnant of how life used to be on the western range.
