Little Cubs trip to a special museum exhibit, Bears Around the World, sparks a flurry of questions from the young polar bear who is just beginning to learn about life beyond her North Pole home. As Mama Bear shares with her about the different types of places that God has put the various types of bears, with their different kinds of fur and food, Little Cub begins to wonder: Why didn't God make us all the same? With Mama's loving guidance, Little Cub is taught to see the vastness of God's wonderful creation; His abilities as an amazing, inventive Creator; His desire for us to care for our world, and especially the important lesson that every bear has a special place in God's great, big world. This adorable story offers young children who are discovering their place in God's big world an opportunity to learn about the wonder of diversity, the gift of creativity, the importance of caring for His gifts, and how each child—each creation—is special to God.
