

Communicating with the African Patient (Paperback)

Filesize: 4.8 MB

Reviews

This sort of pdf is everything and made me searching forward plus more. Better then never, though i am quite late in start reading this one. You may like just how the author compose this book.
(Mae Jones)

COMMUNICATING WITH THE AFRICAN PATIENT (PAPERBACK)

[DOWNLOAD](#)

University of KwaZulu-Natal Press, South Africa, 2004. Paperback. Condition: New. Language: English . Brand New Book. This book is filled with useful and practical language learning strategies designed to help doctors, nurses and other healthcare workers (who do not speak an indigenous language) to learn an African language through their daily contact with patients. More than this, it gives advice on ways to reach some understanding of the culture, health beliefs and world views of the patient in a medical consultation. Although English/Zulu and the Zulu medical culture are used as the examples, the underlying themes are applicable to any culture. The book has retained the humour and wit of its predecessor, *Learning Language and Culture in the Medical Consultation* , but it has been considerably revised and expanded to include more material on the cross-cultural consultation, the Aids pandemic, as well as appendices of vocabulary and survival phrases designed to facilitate communication and understanding in a medical context.
