Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Evolved Publishing brings you another rare glimpse into ancient Native American Indian culture, with Spirals, the much anticipated sequel to the critically acclaimed Circles, by Ruby Standing Deer. [Historical Fiction] A Holy Man, who lives in both this world and the Spirit world, waits hidden in a cave in the canyons, as a newly made woman runs toward him. She flees her would-be suitor, who wants from her more than she can give. The Holy Man and his constant companions, a colony of mice, accept the woman within the cave. She worries that he may be crazy, but given her fear of the man who desires her, maybe crazy is not so bad. In this sequel to Ruby Standing Deer s first novel, Circles, the main character of Shining Light is now grown and with family. He dreams of the woman and the Holy Man in the canyons, and knows that, after four seasons of calm and peace in the Forest of Trees, he must go to them. He seeks guidance, but the Spirits tell him only that he must rescue these two people. Yet he need not go alone. Ever Shining Light s faithful companion and Wolf Brother, White Paws senses he must follow his Human Brother. Thus, one Human, one Wolf, and their two families set out for the unknown. The adventure exceeds all of Shining Light s expectations, and he learns more about his place in this world than the Holy Peoples of his band could ever teach him.
