He had made the startling discovery that despotic chastisements of pretty girls stripped naked and fastened tight confer a far higher flight of rapture than mere ordinary physical enjoyment of the same girl however pretty and tempting she may be; and having made this discovery, he settled down to its fullest tuition. In this prequel to The Amazing Chastisements of Miss Bostock we discover how Mr. Howard developed his very singular proclivity for all things flagellatory, and his burgeoning and educational relationship that developed with Miss Gladys, his future partner in crime.
