

The Fairytale Times (Paperback)

By Zanib Mian

Sweet Apple Publishers, United Kingdom, 2016. Paperback. Condition: New. Laura Ewing (illustrator). Language: English . Brand New Book. Children and adults alike will delight in this hilariously entertaining alternative version of fairytale events. Newspapers are packed with exciting and shocking stories, and with adverts and interviews of celebrities. The Fairytale Times is no different. The Ugly Duckling is now the world's highest paid supermodel - we hear of his ugly past in an exclusive interview. Little Red Riding Hood has researched clever tactics to keep wolves at bay, and how they can be fought off should they attack (apparently they're attracted to red and allergic to peanuts). An evil fairy loses her powers, while a young boy befriends a giant, and there is a hunt on for a missing gingerbread man. All these and many more articles ensure you know what's going on in the fairytale world - and what new products are available to buy - like turbo-powered carriages and dragon pet food.

Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

-- **Jesse Tremblay**

This written publication is wonderful. It is really fascinating through reading period. I discovered this book from my dad and I suggested this publication to find out.
