

Belief and Probability (Hardback)

By J. M. Vickers

Springer, Netherlands, 1977. Hardback. Book Condition: New. 1976 ed.. 236 x 165 mm. Language: English . Brand New Book ***** Print on Demand *****.1. A WORD ABOUT PRESUPPOSITIONS This book is addressed to philosophers, and not necessarily to those philosophers whose interests and competence are largely mathematical or logical in the formal sense. It deals for the most part with problems in the theory of partial judgment. These problems are naturally formulated in numerical and logical terms, and it is often not easy to formulate them precisely otherwise. Indeed, the involvement of arithmetical and logical concepts seems essential to the philosophies of mind and action at just the point where they become concerned with partial judgment and belief. I have tried throughout to use no mathematics that is not quite elementary, for the most part no more than ordinary arithmetic and algebra. There is some rudimentary and philosophically important employment of limits, but no use is made of integrals or differentials. Mathematical induction is rarely and inessentially employed in the text, but is more frequent and important in the apP endix on set theory and Boolean algebra. * As far as logic is concerned, the book assumes a fair acquaintance...
