Createspace, United States, 2013. Paperback. Condition: New. Language: Portuguese . Brand New Book ***** Print on Demand *****.As novas expectativas para a doenca de Parkinson sao surpreendentes. Os numeros sugerem uma necessidade urgente de acordar e reconhecer que estamos a beira de uma pandemia emergente. E assustador pensar que, nos paises mais populosos do mundo, o numero de doentes de Parkinson dobrara para quase 30 milhoes no ano de 2030. Essas crescentes estatisticas parecem inacreditaveis, mas elas sao reais, e estas sao alimentadas por uma populacao que continua a envelhecer. A idade e o fator de risco inevitavel e inegavel para o desenvolvimento da doenca de Parkinson. Com o aumento da expectativa de vida, esses numeros ficam ainda mais assustadores. Dito de outra forma, se todos vivessemos ate os 100 anos, seriamos forcados a lidar com a doenca de Parkinson, e isso levaria a uma crise mundial. Ao viajar pelo mundo como diretor medico nacional da National Parkinson Foundation (NPF), conheci dezenas de milhares de pacientes com a doenca de Parkinson, familiares e amigos. Uma das perguntas mais comuns em suas mentes era o que posso fazer para que minha vida e as vidas dos que me rodeiam tornem-se melhores? Eu escrevi este livro para ajudar a saciar essa sede que e compartilhada por pacientes de Parkinson e familias em todo o mundo. E nesse espirito, atraves de nossos companheiros de trabalho e colegas, que foi possivel traduzir este livro em tantos idiomas, a fim de passar a palavra ao mundo sobre os segredos de esperanca e uma vida mais feliz com a doenca de Parkinson. Internationally renowned as both a neurologist and a leading researcher, Dr. Okun has been referred to as, the voice of the Parkinson s disease patient. He has an international following on the National Parkinson...
