(A doll made up of a pom pom, pipe cleaners, eyes, a button nose and string for a mouth). When this little girl is feeling sad and alone, and needs a reminder that someone loves and accepts her all she has to do is reach her hand in her pocket and feel the warmth of her Fuzzy. Shonna quickly learns that it is not just her that has a need to feel accepted. She passes on her Warm Fuzzy to the new girl at school making her not only feel good but making a new friend. She then comes up with the idea to make more so she can pass them onto others in an effort to repair friendships, show someone she cares, and in turn feel good about herself.
