The thoroughly moving books in the Born Free series tell the stories of wild animals around the world that have been saved from a lifetime of cruelty and suffering. The Born Free Foundation s mission is to protect many different species in their natural habitats, working with local communities to make sure that people and wildlife can live together peacefully. In Lion Rescue, children will meet a sad and lonely lioness named Bella who spent her days in a run-down zoo, a bored and dejected lion named Simba that spent his life in a dark, cramped trailer. Born Free to the rescue! Parents will be intrigued by these books as they recall Born Free, the movie that inspired a generation. In it, they learned the story of Elsa, an orphaned lion cub that was brought up by Joy and George Adamson (portrayed by Bill Travers and Virginia McKenna in the movie and the founders of the Born Free Foundation) and released back into the wild. Children will be inspired as they read how the Born Free Foundation comes to the rescue, saving suffering animals and giving them their well-deserved happy endings. Both parents and children will find the stories in these books wonderful conversation starters about life, compassion, taking a stand for what you believe in, and making the world a better place.
