

The Invention of Solitude (Paperback)

By Paul Auster

FABER FABER, United Kingdom, 2012. Paperback. Condition: New. Open Market - Airside ed. Language: English . Brand New Book. One day there is life . . . And then, suddenly, it happens there is death. So begins Paul Auster's moving and personal meditation on fatherhood, *The Invention of Solitude*. The first section, *Portrait of an Invisible Man*, reveals Auster's memories and feelings after the death of his father. In *The Book of Memory* the perspective shifts to Auster's role as a father. The narrator, A., contemplates his separation from his son, his dying grandfather and the solitary nature of writing and story-telling. With all the keen literary intelligence familiar from *The New York Trilogy* or *Sunset Park*, Paul Auster crafts an intensely intimate work from a ground-breaking combination of introspection, meditation and biography.

Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

-- Prof. Jean Dare

This is the very best publication i actually have read until now. It really is packed with knowledge and wisdom I am happy to let you know that this is the very best publication i actually have read in my very own existence and could be he greatest pdf for ever.
