Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Laboratory Manual of Bituminous Materials: For the Use of Students in Highway Engineering During the past five years a number of our leading universities have inaugurated courses in highway engineering in which laboratory instruction is given in the testing of bituminous materials. A general tendency appears to exist upon the part of many other educational institutions to develop the same line of activity because of the desire of highway engineers through out the country to familiarize themselves with these materials.
