How To Get Back Up Every Single Time Youre Knocked Down The Sub 4 Minute Extra Mile Book 12

By Ted Ciuba

Paperback. Condition: New. 70 pages. During a recent teleconference, a participant couldnt help but point out I say that when were on track to success and if were really going for it, we will experience several temporary defeats. She didnt like hearing that. On the other hand, its absolutely guaranteed! Were all human. And the difference between those who succeed and those who dont is not that they dont have the same kind of problems. Those who succeed usually have bigger problems, because theyre in a bigger arena, other than the fact, of course, of the death of a loved one and all that comes with itthats uniform and universal. But theyve learned how to handle stress, they have their eye on the goal, and nothing matters like their goal. And that gives them the ability to get back up every single time theyre knocked down. This volume, like all books in the Sub 4 Minute Extra Mile Series is a collection of short, focused, intense, intended training sessions developing the natural health, wealth, and fulfillment current within and between you and HoloCosm. To whet your appetite, heres a few more training session titles inside. . . Because You Know...
