

Mourning Cloak (Paperback)

By Selma Mann

Premiere Sortie, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Love, death, loss, longing, cancer, butterflies, and the healing power of poetry and of surrender to the guidance of a muse. The poet, Selma Mann, an attorney, a rational-humanist sort-romantic and spiritual enough-found herself driven to composition by a series of losses and crises. In grief, pain, and poetry she discovered an enchanted world emerging from and fusing with the natural world, rendering it a luscious, sparkling place to live, despite sharp edges and frequent cruel surprises, a world perhaps directed and monitored in a secret cave by gnomes sipping chamomile. Thus she found herself a poet by necessity. Her muse seems to act as a guardian angel, demanding poems to suit the occasion when confusion cries for understanding. When Mann wanders too deeply into the woods and feels lost, the muse forces her to find her way with her pen as a compass. There is drama, tragedy and comedy here, viewed from new camera angles, but also wisdom whose price to the bearer is always dear. J. Alexie Crane, III Poetry Editor Premiere Sortie Press Selma Mann's own telling of Mourning Cloak's existence...

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.
