Staying together had seemed impossible. Now it's their only hope. A dark shadow of fear has fallen over Newpointe, Louisiana. First one, then another of the town firemen's wives has been murdered, and a third has barely escaped an attempt on her life. Incredible as it seems, a serial killer is stalking this sleepy little southern community. And Mark Branning's wife may be next on the list. Mark is determined to protect her. But keeping Allie alive won't be easy---not with their marriage already dying a bitter death. Unless they renew their commitment to each other and to God, someone else may settle their problems . permanently. And time to decide is running out. 'This tense and exciting thriller is more than a fabulous read; it has an underlying message about the place of religion within a marriage. Highly recommended.'---Library Journal Private Justice is book one in the Newpointe 911 series by award-winning novelist Terri Blackstock.
