Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ren Barretti has finally come home after a year of being held captive by the terrorists who slaughtered his entire Special Forces team. But he can't escape the nightmares that torment him or the guilt that he was the only one to walk away. The life his older brothers have brought him home to doesn't exist for him anymore and to keep them and their loved ones safe from the rage and pain that consume him, Ren needs to disappear. Police Detective Declan Hale has felt an undeniable pull towards the very straight Ren Barretti since the day Ren's brother married Declan's younger sister almost a dozen years earlier. And even though there's no future for them, keeping Ren safe is all that matters and Declan will risk anything to make that happen. Tough as nails former soldier and mercenary Jagger Varos has returned to Seattle after years of running from his past and he's hoping that joining Barretti Security Group will help him finally call the city he left behind home.
