This writing is dedicated to the spouses of prisoners who are trying as best they can to understand the situation that has landed on them and their spouses and all the other extended family members who have been impacted by the incarceration. There is so much about the legal system that is counter-intuitive and difficult to comprehend. As I continue to develop material, the complexity of incarceration facilities and processes continue to amaze me. Not every prisoner is fortunate enough to have a spouse who can help them so the ones who do would be wise to appreciate the efforts begun on their behalf. Some prisoners without spouses may have other family members who can help, and they also should be treasured and thanked. --- The books that I have previously published so far about the prison situations are: Angel Raphael Speaks Volume 4: Angels, Addicts, Alcoholics Prisoners - Oh Yeah!
