

Greek Mythology: A Travelers Guide

By David Stuttard

Thames & Hudson. Hardcover. Condition: New. 256 pages. A hands-on travelers guide to the enthralling tales of Greek mythology, organized around the cities and landscapes where the events are set. Drawing on a wide range of classical sources, newly translated by the author, and illustrated with specially commissioned drawings, this book is both a useful read for those visiting the sites and a fascinating imaginative journey for the armchair traveler. The itinerary includes twenty-two locations, from Mount Olympus to Homers Hades, recounting the myths and history associated with each site and highlighting features that visitors can still see today. Scholarly text, supported by quotes from primary sources and contemporary research, as well as the enticing stories of gods and goddesses, heroes and villains, enrich the readers literal or simply literary experience of these sites, whose significance still resonates...
