Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

CROSSING THE THIN BLUE LINE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Through the use of pure, raw emotion, one woman details the experiences she encountered with her police officer boyfriend. She takes you through the up and down emotional roller-coaster of their relationship that ultimately ended with him crossing that imaginary thin blue line. The author takes you from start to finish on a journey of mixed signals and red flags that everyone saw and she chose to ignore. It shows you just how manipulative one officer can be and how he uses his job as a cover for his true colors. Crossing the Thin Blue Line is all about helping others discover themselves through the heartache of one woman and gives you all of the signs to look for when dealing with a sociopath. Crossing the Thin Blue Line takes you through all of the drama of a relationship. This story takes you through the various affairs that the officer had, the lies that he told in order to cover his tracks and the final betrayal when he used his position to intimidate her all while proclaiming to be drama-free. The author goes into details about her emotional spiral out of control in order to help others see the red flags. She puts herself out there as a way of giving readers an insight into how to walk away from a situation before it gets out of control. The author believes the best way to help others is to tell her story. She went through an extremely emotional and silent abuse relationship that took her identity from her. This emotional abuse became physical and ultimately that imaginary thin blue line was crossed. Crossing the Thin Blue Line is all about...
