IN SEARCH OF ME: FROM MAIN STREET TO WALL STREET

Millie V Grindstaff, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English. Brand New Book ***** Print on Demand *****. As Micala looked back at the littered path her life had taken. the false starts, the dead ends, the loss of loved ones, the betrayals. they seemed to pale in comparison to the challenge facing her now. Many people do it with ease; for her it was a totally new concept. living a normal life. It certainly wouldn't come naturally for her. just how hard would it be. and could she succeed? What few successes she had in life to that point had been born out of an obsession to achieve something. anything that she could call her own. Her failures. now well documented and brought to the light of day by her psychiatrist. seemed to her to far outweigh any success. She had learned how to let them go. at least the weight of them. A blank slate. what would be written on it now? It was all at once liberating, intriguing, hopeful, exciting and terrifying.
