AUTHORHOUSE, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ever heard of the rat race ? Are you in it? Many people are and getting out can be very difficult if you don t have the know how. If you re going through bankruptcy or just wondering how to invest your money, this book can help. I want to show you how to navigate the unpredictable real estate and stock markets and take the confusion and frustrations out of managing your finances. Just ignoring your situation is not going to resolve your problems. It s time to get proactive. Like the majority of America, I grew up in the lower middle class with a family struggling to live paycheck to paycheck but unlike most Americans I found a financial plan that has been tailored from my successes and failures . This plan has brought me financial security and all before the age of 30. But age doesn t play apart of this plan, anyone at any age can follow these easy steps, steps that I created by trial and error and through life experiences, to become financially independent.
