Brand New Book ***** Print on Demand *****.Have you always wanted to learn how to speak Yiddish but simply didnt have the time?Look no further. You hold in your hands the most revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. More formalized training in grammar rules, learning to write in a foreign alphabet, etc. can all come later. This book, is, one of the many, in series of language instructional guides, the Nitzany Methods revolutionary approach...
