

Physics: Russian Edition (Paperback)

Filesize: 1.81 MB

Reviews

This book is really gripping and fascinating. I really could comprehend almost everything using this published e book. I am just very easily can get a delight of reading a published publication.
(Kailey Pacocha)

PHYSICS: RUSSIAN EDITION (PAPERBACK)

Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: Russian . Brand New Book ***** Print on Demand *****.Modern physics is in a mess. More and more incredible theories are propounded about the universe consisting of strings or waves or hyper-dimensional knots or whatever. There is so much nonsense being proposed that one simply cannot believe that the human mind can dream such things. This is a technical book, not designed for the common man. A basic understanding of modern physics is assumed. Essentially, it tweaks the findings of modern physics to make sense of everything in a simple way.
