Whittles Publishing. Paperback. Book Condition: new. BRAND NEW, The Mountain of Light, Jim Crumley, This is a mixture of folk-tale, magic, myth, love story and hymn of praise to the natural world of Scotland's high and low lands, their landscapes and creatures, and the poet-guardians who timelessly maintain their care for them. It is the legend-story of the mysterious Wanderer, who comes from the North to Striveling (Stirling) and its great Castle Rock, and the tales he tells to the five men and a woman who befriend him there. Who is this Wanderer, who seems ageless, who has profound affinities with animals and birds, who can take on the shape of swans and what is his mission to the South? Who are these friends, whose friendship becomes more, as they begin to realize that they are part of the strange, timeless and mythic destiny of a country older than civilization? What is the meaning of the unearthly love of the Wanderer and the mysterious Bella?.
