The earthquakes and volcanic eruptions which within the past two or three years have desolated such wide tracts of the earth s surface are but the feeble phys ical analogues of those mightier revolutions which, within a half score of years, have overturned ancient abuses, unsettled institutions which had their roots deep in the foundations of society, have borne mankind onward in the path of progress with the swiftiness of an avalanche, and are still threatening changes that may alter the entire character of our social organization. We have seen, in the last decade, slavery and serfdom abolished, the greater part of Italy rescued from the tem poral power of the Pope, the Concordat overthrown, the scepter wrested from the Bourbons of Sicily and Spain, the democratic power...
