Copper Canyon Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Young s Bender is a book of survival and strength, of seeing even in the smallest things the heights of what we can be. That s as good a definition of contemporary poetry as any. --NPR This book reads like a long, breathless thank you for life s seemingly random jumble of beauty, strangeness, tenderness, and joy. --Los Angeles Times The reader s mind shoots through [Young s poems] like the steel ball in a pinball machine, dinging around, racking up points. Dean s poems are amazingly fun. --BOMB Bender gathers the abundant treasure from Dean Young s twelve volumes. Strongly influenced by Surrealism, Young s poems flash with extravagant imagery, humorous speech, sly views of the quotidian, mercurial hip-shake shifts, and exposed nerves of heartache. From Commencement Address : I love you for shattering. Someone has to. Just as someone has to announce inadvertently the end of grief or spring s splurge even as the bureaucrat s spittoon overflows. Someone has to come out the other end of the labyrinth saying, What s the big deal? Someone has to spend all day staring at the data from outer space or separating the receipts or changing the sheets in sour room after room. I like it when the end of the toilet paper is folded into a point. I like napkins folded into swans because I like wiping my mouth on swans. Dean Young has published twelve books of poetry, including finalists for the Pulitzer Prize and Griffin Award. He teaches at the University of Texas and lives in Austin.
