

Cancer with a Small 'C'

By Elizabeth Caush

Paperback. Book Condition: New. Not Signed; The book follows the journey of my life through approximately a ten-year period during which time I was diagnosed with breast cancer. It contains highs and lows and hopefully will shine a positive light on this disease that will encourage other women. Although any cancer diagnosis is devastating not only to a patient but also to their family, a positive outlook, a grateful heart and a belief that life can only get better is vital to recovery. There will be readers who understand the attitude that overtook me at the time; my marriage breakdown will resonate with others - just as our reconciliation will also be close to the hearts of some people. I also draw on some hilarious moments, because it wasn't all bad, my cancer attacked me when I was most in need of a break from life. Disastrous, worrying, life threatening and emotionally draining, the story will touch on some very personal, sad moments but also the victorious end when I refuse to even acknowledge that I had cancer. Yes, it was real, but it deserves no place in my life any more and certainly no capital 'C'. A cathartic book for me and...
