PRINCIPLES OF DATA MANAGEMENT AND PRESENTATION (HARDBACK)

UNJACKETED
HARDCOVER

University of California Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. The world is saturated with data. We are regularly presented with data in words, tables, and graphics. Students from many academic fields are now expected to be educated about data in one form or another. Yet the typical sequence of courses-introductory statistics and research methods-does not provide sufficient information about how to focus in on a research question, how to access data and work...
