Our country is still in the midst of the greatest war in the history of mankind. Already our sons and brothers have died in Europe. While the sacrifice is great, and each day comes home more closely to us, there must be no ceasing of the conflict until victory is assured. The principles of Christ must prevail, and democracy must be given some chance in the world. Because we believe this, because we love our country, because we wish to see our country truly noble and great, I am once more asking your attention to the vital subject of the place of the Negro in our American life. This item ships from La Vergne, TN. Paperback.
