

The Raw Diet: A Longer and Healthier Life for Your Pet: It Is Possible with Logic and Common Sense

By Jennifer Holdt

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I decided that I would never let another dog die in my care that I could have helped to prevent. A couple of year s back we lost or beloved Boxer/Beagle, Drew to liver cancer. We noticed the signs too late and within a week of his diagnosis, we led him off to the rainbow bridge before he had a chance to suffer anymore than he had already endured. I started researching why this happened and how we could have prevented it, which led me straight to the diet. We had our dogs on a kibble diet and the more I researched, the more I learned what was actually in kibble and all kinds, not just the low end ones either. I am not saying that I can prevent cancer in my dogs; I am not saying I can prevent any disease for that matter. All I am trying to do is find a better way for them to live healthier, longer lives and diet was the key ingredient in our household. I have learned through research discussions...

Reviews

Completely essential read publication. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your time (that's what catalogs are for regarding should you question me).

-- **Nels Runte IV**

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.
