## A KNIGHT IN DENIM (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 316 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from A Knight in Denim: Atro City is in Nebraska, though you may not readily find it on an ordinary map. Many years ago a party of pioneers, journeying through those parts, were set upon and slaughtered by redskins - that is to say, an atrocity took place; and the place, in the mysterious dispensation of frontier usage, took thereupon the name of Atrocity. After awhile the railway came through and built a station and it was called Atrocity. But when a town sprang up and flourished and began to put on airs - how about Atrocity then? Of course the implications were degrading, and it was accounted a very happy thought when somebody pointed out that by making two words of the name and exalting a small letter into a capital, not only would all offence be done away with, but a designation would be achieved having nowhere its like. The Valley is a land of fatness, and fat lands are apt to breed queer people. The men of the Valley are not as other men are, nor the women, nor the children.
