## MOODY FOOD

Garden City, New York, U.S.A.: Doubleday of Canada, 2002. Hardcover. Book Condition: New. Dust Jacket Condition: New. Book Description From critically acclaimed novelist Ray Robertson comes the rollicking Great Gatsby of the 60s a sex, drugs, and rocknrollsuffused modern tragedy. For Bill Hansen, things couldnt be better. Hes got a beautiful folk-singer girlfriend, a job at Torontos coolest bookstore and, most of all, hes got Yorkville, which in 1966 is nothing short of paradise for a boy from Etobicoke. And then Bill meets Thomas Graham, who with his white snakeskin cowboy boots, red sequined shirt and Southern drawl doesnt quite fit the Yorkville hippie mold. Soon, the charismatic Thomas draws Bill into an obsessive quest to create what he calls Interstellar North American Music, a mixed-race, cross-generational musical hybrid fusing rock and roll, country and western, and rhythm and blues. Augmented by Bills girlfriend, Christine, and Slippery Bannister, a one-time Nashville session man and now an infamous drunk, The Duckhead Secret Society is born. The band is spotted by a record company scout and is soon launched on a whirlwind tour of bars, taverns and dives across America, finally landing on LAs Sunset Strip. In the haze of harder and harder drugs, it all starts to come undone. As Bill recounts the rise and fall of Thomas Graham and his musical vision, he simultaneously tells the story of frustrated idealism and the passing of an entire generation. From the Back Cover Robertson has been called word drunk. Thats good . his prose is undoubtedly major-league. Theres wit and wisdom in abundance, delivered in clever, punchy style. The Globe and Mail Ray Robertson generates delight in the state of living. Hes infused Moody Food with that same delight-what an eager, rich and meticulously funny rocket of a book! Read Ray Robertson...
