CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 306 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. On a deceptively peaceful morning in rural Oxfordshire a bolt from the blue splinters the surface of Robins familiar world and pitches him into uncertainty. By the end of the summer holidays he will be eleven, and until now has been looking forward to starting secondary school in September. But a much greater change than he could have imagined is on the horizon. It isnt just Robins world that undergoes a radical transformation. No one in this novel remains untouched by the turbulent events that take place during the following six weeks. Love is questioned, lost and rediscovered as the characters find their way towards the novels ultimate denouement. Patrick, the surly bully of a headmaster, and Iris, his long-suffering wife, both face unforeseen life-altering challenges. Maddy and David are forced to review their relationship with one another and, more importantly, with themselves. Lauras steadfast heart stands to be broken all over again. And Robin is the fulcrum around which each of them constellates. In one way or another he affects everyone. His own future hangs in the balance, and is largely dependent on other peoples choices on his behalf. Wise, poignant, thought-provoking and at times even mordantly funny, Round Robin will move you and stay with you long after the final chapters have been read. This item ships from La Vergne, TN. Paperback.
