Watson-Guptill Publications, United States, 2002. Paperback. Condition: New. First. Language: English . Brand New Book. America s leading comic book publisher brings its superstar creators and classic characters to the second in an authoritative series of books on how to create comics. The art of Klaus Janson has endured in the ever-changing comic book industry for over 30 years. Now this talented artist brings that experience to the most critical step of effective comic book storytelling- pencilling. Covering everything from anatomy to composition to page design, Janson details the methods for creating effective visual communication. Step by step, he analyzes and demonstrates surefire strategies for comic book pencilling that are informative and exciting. Using DC s world-famous characters, he illustrates the importance of knowing the fundamentals of art and how best to use them. The DC Comics Guide to Pencilling Comics is packed with a wealth of tested techniques, practical advice, and professional secrets for the aspiring artist. It is a valuable resource for comic book, graphic novel, and storyboard artists everywhere.
