Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There s two hours left before Pak Higgins paper on the psychology of needs is due. Two hours to figure out what he needs in his life. Is it the girlfriend that dumped him for being too distant? The friends he s barely talking to anymore? Or maybe it s the running girl who crashed through his window at three in the morning with a desperate plea for help. It s definitely not the parents who tried to leave him in a boarding school in France or the money he walked away from to cut himself off from them. But needing is a funny thing. Sometimes it s the ones you want to run from that you need the most. King of Forgotten Clubs is a novella of approximately 60 pages and the sequel to Queen of Broken Hearts.
