HarperCollins Publishers, United Kingdom, 2007. Paperback. Condition: New. Tim Archbold (illustrator). Language: English . Brand New Book. A range of beautifully illustrated Michael Rosen s poems, including many of his classic works such as Down behind the dustbin . The poems resonate with children s lives as they refer to everyday family life issues such as boredom on long car journeys. Many are appropriate for performance and can provide a framework for children s own writing. * Copper/ Band 12 books provide more complex plots and longer chapters that develop reading stamina. * Text type - Poetry book. * A `feelings wheel on pages 30 and 31 encourages children to match phrases from the poems to feelings such as `happy and `cross . This encourages them to scan back through the poems and reflect on how they should be read aloud. * Curriculum links - ICT: Combining text and graphics; Music: Play it again - Exploring rhythmic patterns.
