Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On a hot summer afternoon budding 15 year old basketball sensation, Joseph Miller, is savagely beaten then killed for his sneakers in the back of a Harlem park. The police are unable to solve the crime and the one person, Samantha Keyes, who witnessed the killing won t come forward because she is just too scared. As time goes by each of the remaining family members grow more and more frustrated with the police s inability to come up with a lead until finally they each secretly decide to take matters into their own hands. Their utter disregard for human life and all it holds dear will leave you shaking your head in disgust and disbelief.
