

## The Chase: A Novel of the American Civil War (Paperback)

By Blair Howard

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. During the last few days of the Civil War, a company of Confederate raiders rode into the small Kansas town of Elbow. There they raped, pillaged and murdered among the local populace, thus triggering a chain of events and a chase that extended for more than a thousand miles across the grasslands and mountains of Kansas and the deserts of New Mexico. Along the way, Confederate Lieutenant Jesse Quintana, a ruthless, cold-blooded killer without a conscience, and his men massacred a band of Comanche women and children, fought two battles with Comanche War Chief, White Eagle, and murdered and plundered his way southwest along the Santa Fe Trail. Quintana had a nine-day start over his pursuers, Captain Ignatius O Sullivan and Sergeant Major Boone Coffin, along with an Osage Indian scout and a small company of Federal cavalry. The climactic end to the chase came among the mountains on the Mexican border six weeks after it began. You will remember O Sullivan and Coffin from the author s previous novel, The Mule Soldiers. Their adventures continue.
